

Another Busy Week for David and the ESS Greens

David started the week by attending the Victoria Fish and Game Protective Association at Strawberry Vale. The next evening, he spoke in Metchosin at the Protecting the Old Growth Forests event.

On Wednesday, he participated in the all candidate debate forum at Pearson College. David did a superb job! Missed the debate? You can view the debate on [Pearson College's facebook page](#).

On Thursday, he was at a candidate debate for Esquimalt High School students. Another amazing job by David! There was a line-up of students afterward to ask him more questions.

On Friday, David participated at the Die-In for the Youth Climate Action Week and capped the week with a coffee party gathering in Sooke.

Let's Take Action

Take Action - National Tree Day

It's National Tree Day on September 25. Let's continue to protect our old growth forests and also, let's plant more trees. The Green Party Climate Action Plan **Mission: Possible**, action item #20 is to plant more trees. For National Tree Day, we are planting the seedlings on a section of Havenwood Park.

Will you join us for this fun and important event?

When: September 25
Where: 614 Granrose Terrace (entrance to park near unit #10), parking at the cul de sac
Arrival: 2pm
Equipment: Trowels and gardening gloves

Take Action - Climate Action Strike

It's so inspiring to see young people taking action about our climate emergency. Let's support them by attending the Climate Strike on September 27.

Date: September 27
When: 12pm noon
Where: Legislature Buildings

Take Action - Your Vote

In this upcoming election, the most important issue that we're hearing at the doorstep is addressing our climate emergency.

We need to elect David and other Green MPs. David is such an outstanding candidate and has the experience to create transformational change for bold climate action.

It's a pivotal time and we need everyone to vote. Please plan to **vote** during the Advance Voting Days. The dates for Advance Voting are **October 11, 12, 13 and 14**. More details to follow on Advance Voting locations.

Volunteer Activities

Making a Difference

As we're meeting people at the door or having a phone conversation, many of these voters are undecided and often, are considering voting Green.

By having a personal connection with undecided voters, **you can make a difference!** Studies have shown that for every 10 personal connections, there is a new vote. For this election, every vote is going to matter and you can make the difference **in helping get David elected**.

Also, we will need hundreds of volunteers to help on Election Day.

Will you join us? Contact Emily our volunteer coordinator at volunteer.ess@greenparty.ca

Green Waves

The level of support is continually growing. The Green Wave is here. We're receiving hundreds of honks, waves, thumbs up as our sign team waves at traffic. Come join the the fun and wear your green t-shirt and be part of the sign team!

Tuesday, Sept 24 3:30pm	meet at the Campaign Office (#106 - 3550 Saanich Road)
Wednesday, Sept 25 3:00pm	meet at the Campaign Office (#106 - 3550 Saanich Road)
Thursday, Sept 26 3:30pm	corner of Quadra and MacKenzie

We Need Your Support!

There are increasing campaign expenses during the election. We need your donation, large or small, to help with the cost of campaign materials, signs, and advertising. Donating to a political campaign offers significant tax credits. For example, there is a 75% tax credit for donations up to \$400 so the total cost is only \$100 out of pocket.

The easiest way to donate is to go to davidmerner.com and click on "Donate".

Sincerely and gratefully,
Campaign Team to Elect David Merner
