Election Day Activities

There are so many ways that you can help us on Election Day!

What We Need

Foot canvassing - A friendly knock on the door is one of the best ways to remind our supporters to go vote. We need as many people as possible - the more people we have, the more ground we can cover. We'll be going door-to-door from 9AM to 5PM.

Phone Calling - A phone call is a quick and easy way to reach our supporters on Election Day. We need to call all of our supporters on Election Day to remind them to go vote!

Count Scrutineers - This is the most important activity on Election Night. After the polls close, your job will be to observe the count to make sure that every single vote is counted properly. This is a great role if you're only free to help in the evening. We need **235 scrutineers**, so please let us know if you can help!

Data Entry - We need a dedicated team to enter data from Elections Canada from 9AM to 5PM, so we know who we still need to contact.

Sign-Wavers - Sign Waves are a great way to show that we have momentum and remind people that polls are open. This is a great family-friendly activity to do with your kids!

Drivers - Do you have a car and are you willing to drive? We need drivers to drive voters to the polls, pick up data sheets from polling stations, and deliver food to our scrutineers around the riding throughout the day.

Click below to let us know when you can help and what roles you would like to do!
